Portable Floorstanding Projection Screen 1220 x 910mm

1901955

Product Description

This almost magical carry case turns into a full-sized projection screen in less than 5 seconds. The lightweight aluminium design is ideal for the travelling presenter or for use in meeting rooms where a screen cannot be attached to the wall. To set-up: swivel the feet of the integrated case to the front, release the catches and open case and then simply pull the screen up to the desired height. The pressurised air system behind screen gives it maximum stability and requires no fastening. To put away: simply push back down the screen into the integral robust carry case.

Features

- Brilliant matt white projection screen surface for high quality colour projection
- Black border provides a sharp, detailed image
- 1 year guarantee
- Highly flexible screen for use anywhere

Specifications

- **Aspect Ratio** 4:3
